Diary No 360 S.G. 1

Letter No.417, dated 7th July 1904, from the Secretary to the Government of Madras, Educational Department, to the Hon'ble the Resident in Mysore.

In confirming my telegram of the 6th instant, I am directed to state that out of deference to the wishes of the Durbar His Excellency the Governor in Council has, as a special case, sanctioned the admission of Miss Mackendry to the Medical School at Rayapuram.

2. His Excellency in Council is, however, ordinarily reluctant to relax the rules requiring candidates for admission to the professional colleges of the Presidency to show that they possess the modicum of general education, without which scientific instruction cannot be followed or assimilated. The Superintendent of the school has therefore been requested to report after three months whether Miss Mackendry has sufficient education to profit by the training given in the school and her continuance there will depend on this report. I am to request that should you see no objection the Durbar may be informed accordingly.
